

Asst. Prof. Dr. Asli Datli

Address:

Liv Hospital Ulus
Plastic, Reconstructive, and Aesthetic Surgery Department
Merkez District, Cukurcesme Street, 34250
Istanbul, TURKEY

Clinical Experience

2025 - Present – Liv Hospital Ulus, Istanbul, TURKEY
2019 - 2025 – Istinye University, Medicalpark GOP Hospital, Istanbul, TURKEY
2018 - 2019 – Aydın University, Medicalpark Liv Florya Hospital, Istanbul, TURKEY
2016 - 2018 – Gumushane State Hospital, Gumushane, TURKEY
2015 - 2016 – ASAN Medical Centre, Seoul, SOUTH KOREA (*Fellowship in Reconstructive Microsurgery*)
2011 - 2016 – Bagcilar Training and Research Hospital, Istanbul, TURKEY (*Residency in Plastic, Reconstructive, and Aesthetic Surgery*)

Education

2003 - 2009 – Istanbul University, Istanbul Medical Faculty, Istanbul, TURKEY
2007 - 2008 – Muenster University, Muenster, GERMANY (*Exchange Program*)
2000 - 2003 – Yusuf Ziya Oner Science High School, Antalya, TURKEY

Personal Information

Date of Birth: 1985
Place of Birth: Afşin
Marital Status: Single
Languages:

- Turkish (Native)
- English (Fluent)
- German (Intermediate)

Dissertation

Biogenetic, Biochemical, and Histopathological Evaluation of Hyperbaric Oxygen and Ozone Therapies in Reperfusion Injury on an Experimental Rat Rectus Abdominis Muscle Flap Model

Awards

🏆 **Best Asian Paper Award (2017)** – *Plastic and Reconstructive Surgery – Global Open*
"Free-style Deepithelialized Propeller Flaps: An Ideal Local Flap to Obliterate Wounds with Dead Space"

Publications

- 📖 **Demirel O, Datli A.** Double layer lateral crural perichondrial flap for coverage and stabilization of tip graft. *Aesthetic Plastic Surg.* 2021.
- 📖 **Datli A, Karasoy I, Zeynal M.** Treating surgical site infection following posterior instrumentation with free-style deepithelialized propeller flap: A case report. *Jt Dis Relat Surg.* 2021.
- 📖 **Caghan P, Vartanoğlu Aktokmakyan T, Savas OA, Datli A, et al.** Retrospective analysis of the first 50 emergency/elective surgical cases during the COVID-19 pandemic. *Ann. Ital. Chir.* 2020.
- 📖 **Datli A, Karasoy I, Genc Y, Pilanci O.** Challenges in establishing a lower extremity reconstruction practice in a resource-limited environment. *J Reconstr Microsurg.* 2020.
- 📖 **Datli A, Suh H, Kim YC, Choi DH, Hong JP.** Free-style Deepithelialized Propeller Flaps: An Ideal Local Flap to Obliterate Wounds with Dead Space. *Plast Reconstr Surg Glob Open.* 2017.
- 📖 **Basaran K, Datli A, Basat SO, Ozel A.** Cyst formation following rhinoplasty and reconstruction with diced conchal cartilage wrapped in mastoid fascia. *J Craniofac Surg.* 2015.

Scientific Panels & Congresses

Panels

- ✍️ **Lower body lift with auto-prothesis – PRS Korea 2020**
- ✍️ **Lower body lift using auto-prothesis technique – ASAN Plastic Surgery Symposium, 2019**
- ✍️ **Lower extremity reconstruction in an under-capacity state hospital – APFSRM Congress, 2018**
- ✍️ **Wonder Woman or Damsel in Distress? Women in Microsurgery – Gender Gap – WSRM Congress, 2017**

Oral Presentations – International Congresses

- ✍️ *Free-style Deepithelialized Propeller Flaps: An Ideal Local Flap to Obliterate Wounds with Dead Space – WSRM Congress, 2019, Bologna, Italy.*
- ✍️ *Lower extremity reconstruction in a remote region in Turkey – EFSM Congress, 2018, Belgrade, Serbia.*
- ✍️ *Effect of comorbidities on wound healing in burn injuries – EBA Congress, 2015, Hannover, Germany.*
- ✍️ *Autologous fat lipofilling for hypertrophic burn scars – EBA Congress, 2015, Hannover, Germany.*

Oral Presentations – National Congresses

- ✍️ *Hyperbaric Oxygen and Ozone Therapy in Ischemia-Reperfusion Injury – TSPRAS Congress, 2016.*
- ✍️ *Management of Soft Tissue Degloving Injuries with Full-Thickness Grafts – TSPRAS Congress, 2013.*

(Additional presentations available upon request)

Professional Interests & Expertise

- ◆ **Reconstructive Microsurgery**
- ◆ **Aesthetic Plastic Surgery**
- ◆ **Lower Extremity Reconstruction**
- ◆ **Facial Aesthetic Surgery**
- ◆ **Burn and Wound Management**
