EDUCATION

She graduated from Istanbul University Cerrahpaşa Faculty of Medicine in 2006 and completed her Obstetrics and Gynecology residency at Istanbul Medeniyet University between 2007 and 2013. During her specialist training, she worked as an observer in the Perinatology Department of Frankfurt Bürger Hospital. She completed her compulsory service at Batman Sason State Hospital between 2013 and 2014. She served as an Assistant Professor at Medipol Mega University Hospital between 2014 and 2017. During this period, she joined the Faculty of Medicine and participated in student education. During the same period, she worked primarily in obstetrics and gynecologic oncology.

In 2017, she received her certificate in assisted reproductive therapy from Memorial Şişli Hospital's IVF Center. She worked as a Specialist IVF Physician at the same center for approximately three years. She worked at Kolan International Hospital's Şişli Hospital IVF Center from 2021 to 2025. She also served as the Physician in Charge of the IVF Center from 2023 to 2025. She has also been serving as an Assistant Professor at Galata University's Faculty of Health Sciences since 2021.
