MEDICAL INTERESTS

- EEG,
- EMG,
- Sleep Disorders,
- Botulinum Toxin Applications,
- Neural Therapy,
- Dementia,
- Parkinson,
- Headache and Ozone Therapy Applications

Certificates:

Botulinum Toxin Applications,

Neural Therapy,

Dementia,

Parkinson,

Headache and Ozone Therapy Applications

EDUCATIONSPECIALIZATIONSMEMBERSSCIENTIFIC PUBLICATIONS

Certificate Trainings:

Ministry of Health Oozn therapy and applications course

Ministry of Health mesotherapy applications course

Courses and Seminars:

National Neurology Congress 2019

Botulinum Toxin Application Training, 2018-2019

National Sleep Medicine Course 2018

Neuromuscular Diseases Congress 2017

National Neurology Congress, 2013

QEMG Conference, Applied EMG Course, 2012

Kocaeli University Neurology Department Emg Certificate Training, 2012 (6 months)

Samatya EMG Days, Applied EMG Course, 2010
