

OP.DR.SELÇUK AYTAÇ

AESTHETICS, PLASTIC AND
RECONSTRUCTIVE SURGEON

EDUCATION

2010 -2012.....Eskişehir Osmangazi University
Anatomy(Doctorate)
1999 -2005.....Uludag University MedicalFaculty Plastic
Reconstructive and Aesthetic surgery specialty training
1992 -1999.....Ankara University Medical Faculty
1984 -1991.....TED Ankara College

SPOKEN LANGUAGES

English / Turkish

SCIENTIFIC / PROFESSIONAL ORGANIZATIONS

Aesthetic Plastic Surgery Association 2006
2008Turkish Plastic Reconstructive and Aesthetic Surgery Association 2008
2009Turkish Hand and Upper Extremity Surgery Association 2009

MASTER THESIS

-Oxidation to the formation of adhesions and scar tissue after peripheral nerve surgery
-Effect of combination regenerated cellulose and oxidized regenerated cellulose-heparin

EXPERIENCE ABROAD

"Aesthetic surgery of the face-principles and pitfalls in aesthetic facial surgery" Human cadaverdissection course. May 2007
University of Emory Healthcare Plastic and reconstructive surgery. BreastReconstruction course. Aug 2001

AREAS OF INTEREST

Microsurgery, Maxillofacial surgery, Aesthetic surgery, Reconstructive surgery

ATTENDED COURSES

1. Flap dissection course (Hacettepe University Faculty of Medicine-STE) 2002
2. Maxillofacial surgery and distraction course (Hacettepe University Faculty of Medicine-STE) 2003
3. Experimental animal use and care certification course (Uludag University laboratory animal breeding and research center) 2004
4. Basic principles and artificial organs in cell culture technology(Ege University Faculty of (Engineering) 2004

ARTICLES

SCI, SSCI, AHCI published technical journal, editorial letter, discussion, casepresentation and abstract type publications

1. Reconstruction of sphincteric function after dysfunctional total lower lip reconstruction using free muscle graft technique. J Craniofac Surg.2007 Jan;18(1):203-7Writers: OzbekS, Aytac S, Karlı N.
2. Diced cartilage grafts in cosmetic surgery. Plast Reconstr Surg. 2006 Feb;117(2):678-80Writers: Ozbek S, Ozcan M, Uysal A, Aytac S.
3. Skin necrosis caused by prilocaine: A case report Wounds. 2005;17(3):58-61 Writers: Aytac S, Etoza, Akın S.
4. A giant pyogenic granuloma. Plast Reconstr Surg. 2005 Sep 15; 116(4):1179 Writers: Aytac S, Ozbek S.
5. Titanium mesh fracture in mandibular reconstruction. J Craniofac Surg. 2005 Nov;16(6):1120-2.Writers: Aytac S, Ozbek S, Kahveci R, Ozgenel Y, Akın S, Ozcan M.
6. Using the sac membrane to close the flap donor site in large meningomyeloceles. Br J Plast Surg.2004 Apr;57(3):273-7Writers: Bozkurt C, Akın S, Dogan S, Aytac S, Aksoy K.

Technical notes, editorial letters, discussions, case reports and abstracts published in nationally-respected journals

- 1.Burn epidemiology in children in the Southern Marmara Region Uludag University Medical Faculty Magazine. 2004 30(3): 145-49Writers: Aytac S, Ozgenel Y, Akın S, Kahveci R, Ozcan M.

Announcements

Presented at scientific meetings such as international congresses, symposiums, panels, presentations, posters or demonstrations published as summary text in the program

- 1.Treatment of recurrent dislocation of mandible, 2005, Vienna, Austria
R. Kahveci, S. Aytac, S. Akın, Y. Ozgenel, S. Ozbek

Presented as a full text at the scientific conferences such as national congress, symposium, panel:

- 1.Tekrarlayan mandibula çıkıklarının tedavisi (Sözel bildirir), 2005, Konya
R. Kahveci, S. Aytaç, S. Akın, Y. Ozgenel, S. Ozbek

Presented as summary text in the program by being presented at scientific conferences such as national congress, symposium, panel

- 1.Use of vacuum treatment with a new stent method of vaginal agenesis (Poster), 2005, Konya
M. Ozcan, S. Aytac
