

Dr. Beşir Öner
Plastic and Aesthetic Surgery

M. Beşir ÖNER, MD

Plastic, Reconstructive and Aesthetic Surgeon

Dr. Beşir Öner is a board-certified plastic surgeon from İstanbul, Turkey. His medical journey began at Istanbul University's renowned **Istanbul Faculty of Medicine (Çapa)**.

Post-graduation, He secured the **25th rank** in National Medical Specialization Exam and this achievement allowed him the **prestigious** opportunity to further his specialization at **Cerrahpaşa Faculty of Medicine**, Department of Plastic, Reconstructive, and Aesthetic Surgery — both institutions being among the **nation's most elite**.

During his residency at Cerrahpaşa, he performed **over 4,000 surgeries**, refining his skills across a diverse range of procedures. While he possess broad expertise, He harbors a special passion for **nose** and **facial aesthetics**, **breast aesthetics**, and **body contouring**.

In 2020, at the El Paso Cosmetic Surgery clinic in Texas, USA, He furthered his knowledge on contemporary techniques in **face** and **neck lift**, **eyebrow lift**, **cat eyes** surgery, and **body contouring**.

As an **active member** of the International Society of Aesthetic Plastic Surgery (**ISAPS**) , He has performed more than **10.000** surgeries and currently practicing in his own clinic since **2022**.
