

## Surg. Dr. Belma KARINI

### Ophthalmology

#### Medical Fields of Interest

- Glaucoma
- Cornea
- Cataract and Refractive Surgery

#### Education

- Marmara University Faculty of Medicine ( 2006-2012 )
- Istanbul Training and Research Hospital Ophthalmology Residency (2013-2017)
- Istanbul University Certificate of Experimental Animal Use ( 2015 )
- International Council of Ophthalmology Visual Sciences ( 2015 )
- Pediatric Glaucoma Training at Bratislava National Institute of Children's Diseases ( 2022 )
- Fellow of European Board of Ophthalmology ( FEBO 2022 )

#### Experiences

- Istanbul Training and Research Hospital
- Yeni Yuzyil University Private Gaziosmanpasa Hospital
- Liv Ulus Hospital
- Memorial Şişli Hospital

#### Research

- Karini B, Ayrancı Osmanbaşıođlu O, Özdođan Erkul S, Kızılay O, Eltutar K. The comparison of keratometry values measured in childhood with IOL Master and Autokeratometer. TOD 47th National Congress, Rixos Sungate Congress Center, Antalya, November 6-10, 2013
- Karini B, Güngel H, Özdođan Erkul S, Akça P, Ünsal E. The importance of optochalcoherence findings on anatomical success and functional results of pars plana vitrectomy in patients of macular hole. TOD 48th National Congress, Rixos Sungate Congress Center, Antalya, November 5-9, 2014
- Ünsal E, Eltutar K, Kızılay O, Karini B. Evaluation of the anterior segment changes using ultrasonic biomicroscopic imaging after pars plana vitrectomy. 14.th Euretina Congress London, 11-14 September, 2014
- Kayaarası Özturker Z, Karini B, Özdođan Erkul S, Kılıç Müftüođlu I, Eltutar K. Peripapillary retinal nerve fiber layer and ganglion cell complex analysis in macrodisc eyes. TOD 48th National Ophthalmology Congress, Rixos Sungate Congress Center, Antalya, November 5-9, 2014
- Gürkan S, Ünsal E, Karini B, Eltutar K. Lamellar hole with myelinated nerve fibers. TOD 48th National Congress, Rixos Sungate Congress Center, Antalya, November 5-9, 2014
- Acar Ebcim Y, Eltutar K, Acar F, Karini B, Akçetin T. Assessment of Patients with Acute Uveitis Attack and Remission in Behçet's Disease Cases with Ultrasonic Biomicroscope (UBM). TOD 48th National Congress, Rixos Sungate Congress Center, Antalya, November 5-9, 2014
- Güngel H, Acar Ebcim Y, Özdođan Erkul S, Karini B, Kızılay O, Dinçer N, Akça P, Alıkma MS. The importance of drainage through sclerotomy during 23 Ga PPV in patients with rhegmatogenous retinal detachment with choroidal detachment. TOD 48th National Congress, Rixos Sungate Congress Center, Antalya, November 5-9, 2014
- Akçetin T, Eltutar K, Tekin Buyrukcu A, Karini B. Outcomes of pupil dilatation methods during phacoemulsification in eyes with posterior synechiae secondary to uveitis. XXXIII Congress of the ESCRS,

Barcelona, 5-7 Sept. 2015

- Eltutar K, Akçetin T, Karini B. Clinical results of phacoemulsification with Malyugin ring or manual iris stretching with hooks in eyes with narrow pupil. . XXXIII Congress of the ESCRS, Barcelona, 5-7 Sept. 2015
- Karini B, Ayrancı Osmanbaşıoğlu O, Erkul Özdoğan S, Dinçer N, Öztürk Kayaarası Z, Güngel H, Eltutar K. Diabetic patients admitted to the retina outpatient clinic for the first time and their compliance with follow-up and treatment. TOD 49th National Congress, Istanbul Congress Center , 4-8 November 2015
- Karini B, Özdoğan Erkul S, Güngel H, Ayrancı Osmanbaşıoğlu O, Eltutar K Follow-up of a Case with Optic Pit Maculopathy. TOD 49th National Congress, Istanbul Congress Center, November 4-8, 2015
- Eltutar K, Akçetin T, Gürkan S, Karini B, Alıkma MS. Results of intraocular lens implantation and capsular tension ring in patients with zonular dehiscence. World Ophthalmology Congress, Guadalajara, 5-9 Feb 2016 pg:146 Poster-1932
- Akçetin T, Eltutar K, Karini B. Efficacy of Subconjunctival Bevacizumab in Recurrent Pterygium. World Ophthalmology Congress, Guadalajara, 5-9 Feb 2016 pg:155 poster:1878
- Akçetin T, Eltutar K, Karini B. Ocular Toxoplasmosis Presenting as Neuroretinitis and Anterior Optic Neuropathy. World Ophthalmology Congress, Guadalajara, 5-9 Feb 2016 pg:224 Poster:1624
- Eltutar K, Alpar Akçetin T, Karini B. Phacoemulsification in patients with phacomorphic glaucoma: Clinical Results. ASCRS-ASOA SYMPOSIUM AND CONGRESS, New Orleans, 6-10 MAY 2016 pg:223 Poster:24731
- Alpar Akçetin T, Eltutar K, Karini B. Neuroretinitis due to Cat Scratch Disease: Case Report. ASCRS-ASOA SYMPOSIUM AND CONGRESS, New Orleans 6-10 MAY 2016 pg:233 Poster:23606
- Karini B, Ünsal E, Sultan P, Eltutar K Nucleus fragment in the anterior chamber- Case Report TOD 50th National Congress, MaxxRoyal Congress Center, Antalya, November 9-13, 2016
- Karini B, Ünsal E, Eltutar K. Surgical approaches and evaluation of results in retinal detachment cases. TOD 50th National Congress, MaxxRoyal Congress Center, Antalya, November 9-13, 2016
- Karini B, Alpar Akçetin T. Comparison of visual and refractive results and contrast sensitivity changes in cases with cataract who underwent phacoemulsification with different İOL implantations. 22 ESCRS Winter Meeting, Belgrade, 9-11 Feb 2018
- Early results of subcyclo subthreshold diode laser transscleral cyclophotocoagulation S. Bayraktar, M. Karakaya, B. Karini, S. Albayrak, S. Pehlivanoglu, Z. Bayraktar, O.F. Yilmaz. İCGS Montreal, 6-8 Sep 2018

## Memberships

- Turkish Ophthalmology Association
- Turkish Medical Association
- American Academy of Ophthalmology ( AAO )
- European Society of Cataract and Refractive Surgery ( ESCRS )
