

## Ömer Avlanmış MD

### Specialist of General Surgery, Obesity and Metabolic Surgery Doctor

#### Educational Background

- Doctorate: 2002-2008, SISLI HAMIDIYE ETFAL TRAINING AND RESEARCH HOSPITAL THESIS name: Efficacy and Surgical-Histopathological Correlation of Endorectal Ultrasonography and Phase Array MRI (2008) in the bottom 1/3 Rectum Cancer during pre-operation Staging; Thesis Advisor:(SADIK YILDIRIM)
- Master's degree, 1999-2002, ULUDAG UNIVERSITY MEDICAL SCHOOL
- Bachelor's degree, 1994-2001, ULUDAG UNIVERSITY MEDICAL SCHOOL

#### Duties

- SPECIALIST OF GENERAL SURGERY : PRIVATE HISAR INTERCONTINENTAL HOSPITAL 2019-2022 Department of General Surgery and Bariatric Surgery
- SPECIALIST OF GENERAL SURGERY : PRIVATE CAMLICA ERDEM HOSPITAL 2009-2019 Department of General Surgery
- SPECIALIST OF GENERAL SURGERY: DR. YUSUF AZIZOGLU SILVAN STATE HOSPITAL 2008-2009 Department of General Surgery
- RESEARCH ASSISTANT: SISLI HAMIDIYE ETFAL TRAINING AND RESEARCH H. 2002-2008 Department of General Surgery

#### Conference Speaker

- 2019 International Federation for the Surgery of Obesity and Metabolic Disorders (IFSO)
- 2017 BARIATRIC AND METOBOLIC SURGERY SOCIETY (BMCD)

#### Congress Attendent

- International Surgery Congress(2008)
- International Flebolgy Congress (2008)
- Surgical Oncology Congress (2007)
- 8. Turkish-Germany Endosography And Endoscopy Days (2007) 5. 8.International Endoscopical Laporoscopy Sugical Congress(2007) 6. American Collage Of Surgeons Turkey Chapter Meeting (2007) 7. International Surgical Congress(2006)
- Xxi. Biennial Congress Of International Society Of The University Of Colon Nd Rectal Surgeons(2006)
- Turkish Colon Rectum Surical Congress (2004)

#### Member Of Associations

- Turkish Surgical Associations
- Turkish Colon And Rectum Surgical Associations
- Flebology Associations

## Certifications

- 6. International And 5. Mediterranean Obesity And Metabolic Surgery Congress (Ifso) (2019)
- 5. International And 3. Mediterranean Obesity And Metabolic Surgery Congress (Ifso) (2017)
- 13. International Endoscopical Laporoscopic Surgery Congress (2017) 4. Turkish Colon And Rectum Surgical Associations 8. Laparscopic Colorectal Surgery Cours (2012)
- 8. International Endoscopical Laparoscopic Surgical Congress (2007) 6. American College Of Surgeons Division Of Eudcation Continuing Medical Education Certificate (2207)
- 8. Turkish-Germanı Endosonograpy And Endoscopy Days (2007) 8. American Collage Of Surgeons Turkey Chapter Meeting (2007) 9. Surgical Oncology Congress (2007)
- Xxi. Biennial Congress Of International Society Of The University Of Colon Nd Rectal Surgeons(2006)
- International Surgical Congress(2006)
- Turkish Colon Rectum Surical Congress (2004)

## Publications

### A.Articles published in international refereed journals:

- ISIL RG,AVLANMIS O(2019).Effects of totally extraperitoneal and lichtenstein hernia repair on men's sexual function and quality of life.PUBMED
- AVLANMIS O,ISIL RG,BURCU B.(2019)Effect of Resection Distance from Pylorus on Weight Loss Outcomes in Laparoscopic Sleeve Gastrectomy.PUBMED
- OZAN KARATAG, GULDEN YENICE KARATAG, HUSEYIN OZKURT, HULYA KURTUL DEGIRMENCI, OMER AVLANMIS, MUZAFFER BASAK, ADIL BAYKAN (2012). The ability of phased-array MRI in preoperative staging of primary rectal cancer: correlation with histopathological results. DIAGNOSTIC AND INTERVENTIONAL RADIOLOGY STUDIES, 1(18): 20-26
- AHMET MESRUR HALEFOGLU, SADIK YILDIRIM, OMER AVLANMIS, DAMLANUR SAKIZ, ADIL BAYKAN (2008). Endorectal ultrasonography versus phased-array magnetic resonance imaging for preoperative staging of rectal cancer. WORLD JOURNAL OF GASTROENTEROLOGY 14(22): 3504-3510
- BULENT YASAR, OMER AVLANMIS, YASIN AGIRMAK (2014) Ileocecal Intussusception Secondary to Ileal Lipoma in an Adult Patient 5 (4):10
- AHMET MESRUR HALEFOGLU, SADIK YILDIRIM, HAKAN KOKSAL, AYSE DENIZ KAHRAMAN, OMER AVLANMIS, ADIL BAYKAN (2006) The Role of Magnetic Resonance Cholangiopancreatography in Turkey Clinics J Med Sci 26(3):265-71

### B. Papers presented at international scientific meetings and reports published in proceedings:

- OMER AVLANMIS, RIZA GURHAN ISIL (2017). Effects of Antral Resection Ratio in Laparoscopic Sleeve Gastrectomy for Morbid Obesity and Relationship With Excess Weight Loss. 5th International & 3rd Mediterranean Morbid Obesity and Metabolic Surgery Congress 12-15 October 2017 Abstract 76
- OMER AVLANMIS, RIZA GURHAN ISIL (2017). Does Concomitant Cholecystectomy Necessary for Asymptomatic Cholelithiasis During Sleeve Gastrectomy? 5th International & 3rd Mediterranean Morbid Obesity and Metabolic Surgery Congress 12-15 October 2017 Abstract 77
- OMER AVLANMIS, RIZA GURHAN ISIL (2017). Laparoscopic Sleeve Gastrectomy Versus Gastric Mini Bypass for Metabolic Control of Diabetes in Morbid Obese Patients. 5th International & 3rd Mediterranean Morbid Obesity and Metabolic Surgery Congress 12-15 October 2017 Abstract 95
- OMER AVLANMIS, RIZA GURHAN ISIL (2017). Laparoscopic Sleeve Gastrectomy versus Transit Bipartition for Metabolic Control of Diabetes in Morbid Obese Patients. 5th International & 3rd Mediterranean Morbid Obesity and Metabolic Surgery Congress 12-15 October 2017 Abstract 96
- OMER AVLANMIS, RIZA GURHAN ISIL (2017). Gastric Mini By-pass versus Transit Bipartition for Metabolic Control of Diabetes in Morbid Obese Patients. 5th International & 3rd Mediterranean Morbid Obesity and Metabolic Surgery Congress 12-15 October 2017 Abstract 98
