  - 16 papers/posters presented at international congresses
  - 3 articles in peer-reviewed national journals
  - 51 papers/posters presented at national congresses
- **Awards:**
  - 2 video awards from international congresses
  - 1 oral presentation award from a national congress
- **Book Chapters and Translations:**
  - 2 chapters authored in national books
  - 1 chapter translated in an international book

---

## **Professional Trainings, Courses, and Conferences Attended**

- Pelvic Floor Ultrasound Course, Bahçeşehir University, Nov 2017, Istanbul
- Hands-on Robotic Colorectal Surgery Course, May 2016, Acıbadem University, Istanbul
- 15th Laparoscopic Colorectal Surgery Course, Turkish Society of Colon and Rectal Surgery, Oct 2015, Istanbul
- Laparoscopic Surgery in Abdominal Wall and Inguinal Hernias, Nov 2014, Izmir
- Hands-on Metabolic and Obesity Surgery Seminar (Laparoscopic/Robotic), Jan 2011, Acıbadem University, Istanbul
- Stapler Training, Turkish Surgical Society, Dec 2010, Istanbul
- Hands-on Cadaver Course on Abdominal Wall Anatomy, Cerrahpaşa Faculty of Medicine, June 2010, Istanbul
- Laparoscopy Training, Cerrahpaşa Faculty of Medicine, April 2010, Istanbul
- Basic Statistics e-Course, 2010, Istanbul

---

## **Invited Lectures at Scientific Meetings**

- **Laparoscopic Colorectal Surgery Anatomy** – 19th Laparoscopic Colorectal Surgery Course, Nov 2017, Konya
  - **Treatment Algorithm for Anal Fissure** – 17th Colon and Rectal Surgery Congress, Sept 2019, Antalya
  - **Management of Malignant Colorectal Obstruction** – 18th Colon and Rectal Surgery Congress, Dec 2021, Antalya
  - **Constipation and Defecation Disorders** – EBSQ-C Prep Course, Aug 2022
  - **Basic Principles of Intestinal Anastomosis** – 19th Colon and Rectal Surgery Congress, May 2023, Antalya
  - **Pelvic and Perianal Pain** – 19th Colon and Rectal Surgery Congress, May 2023, Antalya
  - **Diagnosis and Multidisciplinary Management of Functional Constipation and Gas Disorders** – 19th Colon and Rectal Surgery Congress, May 2023, Antalya
  - **Stapler Use in Colorectal Surgery – Instructor** – 19th Colon and Rectal Surgery Congress, May 2023, Antalya
  - **Abdominal Incision and Closure Techniques – Prophylaxis and Repair of Abdominal, Perineal, and Parastomal Hernias** – March 2024
  - **Surgical Management of Crohn's Disease** – Memorial & Cleveland Clinic Surgery Days, May 2024
  - **Intestinal Complications and Management in Minimally Invasive Surgery** – Minimally Invasive Hysterectomy Course, May 2024
- 

## Memberships

- Turkish Medical Association (TTB)
- Turkish Surgical Society
- Turkish Society of Colon and Rectal Surgery
- European Society of Coloproctology
